## WORK EXPERIENCE

---

### Microtex di Michetti S.r.l.

Sept. 2024 – Present

*Electronics Technician, Laser calibration and R&D software development for embedded systems*

*Villar Dora (TO), IT*

- Lead industrial manufacturer for Modula Lift laser pointers.
- Job assignment: assembly of industrial laser pointers, laser calibration and software dev for product testing.
  - **Key Results:** I have not only learned how to properly assemble, solder, and test electronic and optical devices, but I have also led projects for the improvement of the production systems and software, ensuring support for both old and new protocols used by employees.
  - **Stack:** Python, PySide6 (Qt), SQL Management.

### Freelance

Oct. 2021 – Present

*Sound engineer, sound designer*

*Remote/Turin, IT*

- Freelance activity as a producer, mix engineer and sound designer. Types of work: rock, urban, hip-hop and EDM mixes and productions. Sound Design for fashion and live performances.
- As sound designer, I was in charge of all the audio experiences of my clients fashion and performance projects.
  - **Key Results:** Created over 600 minutes of soundscapes from recordings and digital sample processing. This experience daily improves my problem-solving and communication skills, as well as, foremost, my attention to detail.
  - **Stack:** field recording; iZotope RX10 Advanced; Ableton Live; Avid Pro Tools
  - Major sound design works can be found online on my portfolio. Clients performances took place in Turin, Istanbul, soon Milan and more.

### MDD Service, Big Talu Service

Apr. 2024 – Oct. 2024

*Live sound engineer, light technician*

*Turin, IT*

- I worked and been formed by some of the best engineers in Italy for the live sound and light industry.
- I have operated and set up the audio system for small and large events, including corporate, artistic, clubs and private ones.
- During the experience I obtained two L-Acoustics certifications. Check it [here](#) and [here](#).

## EDUCATION

---

### Musiclab with En.A.I.P. Piedmont

Oct. 2023, July 2024

*Specialized sound engineering and recording course, 1200 hours technical diploma*

*Settimo Torinese (TO), IT*

- **Topics:** Acoustics, Electrotechnics, Recording, Sound design, Mixing, Mastering, Live sound and more.

### Polytechnic University of Turin

Sept. 2019, Jun. 2023

*Computer Engineering Bachelor's Degree (interrupted)*

*Turin, IT*

- **Completed coursework:** Calculus I, Calculus II, Linear Algebra and Geometry, Databases, Computer Science, Chemistry, Bio and Nanotechnologies in Medicine.
